Work Experience

CAREGIVER | SENIOR LIFESTYLE HOMES | FEB. 2013- SEPT. 2018 & JAN. 2021- APRIL 2022

- Assist residents with activities of daily living, including bathing, dressing, grooming, toileting, transferring.
- Initiate and participate in leisure activities provided for residents and encourage residents to socialize and participate.
- Document medication distribution, leisure activities, incidents, and observations.
- Assist residents with medication as defined in medication procedure; assist or supervise residents who self-administer medication; follow physician orders and state laws to administer medications to residents who cannot self-administer their medications.

HOME HEALTH AIDE | DYNAMIC NURSING, INC. | JULY 2019- AUG. 2020

- Coordinate doctor's appointments and provide transportation to and from appointments.
- Monitor patient condition by observing physical and mental condition, intake and output, and exercise.
- Record patient information by making entries in the patient journal and notifying nursing supervisor of changing or unusual conditions.
- Maintain a safe, secure, and healthy patient environment by following asepsis standards and procedures, maintaining security precautions, and following prescribed dietary requirements and nutrition standards.

PATIENT CARE TECHNICIAN | KERN MEDICAL HOSPITAL | OCT. 2018- FEB. 2019

- Provide care to patients in a manner that promotes safety, comfort, and the therapeutic environment.
- Lead activities such as community meetings, goals groups, fitness groups, activities of daily living groups, and/or recreational activities, as appropriate to the specified patient population.
- Chart patient observations, following prescribed procedures and standards.
- Maintain confidentiality of patient records.
- Perform initial patient evaluations to determine treatment priorities; take vital signs, weights, and urine and stool specimens.
- Maintain established hospital policies and procedures, objectives, quality assurance program, and safety, environmental and infection control standards.

VOLUNTEER EXPERIENCE

GROUP LEADER | TEEN CHALLENGE | 2016

- Leader of a group session that focuses on grief and loss, and how to move forward in sobriety while dealing with heavy emotions.

MUSIC THERAPY | BROOKDALE SENIOR LIVING | 2015-2018

- Play instruments and sing opera for residents
