Work Experience

Certified Nursing Assistant
Canterbury Gardens - Longview, WA

June 2018-June 2019

- Assisted elderly residents that have dementia with dressing, ADL's, grooming, oral care, peri-care, hygiene, feeding, companionship, etc.
- Redirected residents using a calm, approachable, and soft-spoken voice

Medical Scribe

January 2018-July 2019

Longview Orthopedics Association – Longview, WA.

- Charted documents during office visits for Dr. Peter Kung to allow him to focus on the patient continuously
- Contributed towards Longview Orthopedic Association's goals and mission as a clinic to provide the best patient care possible

Volunteer Experience

The Council for Opportunity in Education Policy Seminar Speaker
Washington D.C.

March 2019

- As a TRiO alumnus, told my story to congresswoman and congressman; explained the benefits of this program and how it supported me through my associate's degree
- Represented TRiO Student Support Services on Capitol Hill and advocated for continued funding and support for low-income and first-generation college students

Natural Disaster Relief Volunteer
All Hands and Hearts – Houston, TX

September 2018

- Worked towards establishing a warm, livable, and healthy home by replacing damaged floors, drywall, trim, insulation, and windows
- Rebuilt the homeowner's confidence in a solid and safe foundation to further raise their families
- Practiced empathy in a sensitive environment for families dealing with loss

Natural Disaster Relief Volunteer
Merge - Houston, TX.

December 2017

- Helped improve individuals' quality of life by removing and remediating mold within homes that were damaged by Hurricane Harvey
- Ensured not only safety, but provided emotional support to those who had lost everything due to the water damage of the hurricane
- By restoring individuals' homes, contributed to preventing further illnesses, both physically and psychologically

Emergency Liaison Volunteer

September 2017-July 2019

PeaceHealth St. John Medical Center - Longview, WA.

- Aided visitors and patients by escorting them in and out of treatment area when appropriate in coordination with and under the guidance of the ED Nursing Staff
- If problems or concerns were expressed, informed the Triage Nurse or ED Charge Nurse
- Assisted the emergency staff as needed to enable them more time to focus on their patients' needs

Informational Desk Volunteer

March 2016-July 2019

PeaceHealth St. John Medical Center – Longview, WA.

- Greeted visitors and assisted in escorting them to where they need to go, resulting in a comforting atmosphere
- Effectively discharged patients, cleaned wheelchairs, gave directions and delivered specimens
- Followed policies regarding patient confidentiality and workplace safety

Dialysis Clinic Volunteer

September 2016-July 2019

PeaceHealth St. John Medical Center – Longview, WA.

- Visited with patients as directed, helping make them comfortable for treatment
- Assisted with cleaning chairs and assisting tech and obtaining pre- and post-patient weight
- Aided with unit goals of empowering patient sense of independence and control
