WORK AND VOLUNTEER EXPERIENCE

Aegis Living **Seattle, WA**
MedTech & Caregiver **05/2017-Present**

- Provide basic patient care and administer medications in the dementia unit
- Since most of the patient have dementia, I communicate with them so as for them not to feel lonely such communication includes talking about their past jobs, things they like to do now and/or reading stories, this help improves their lives and thinking.
- Supervise other staff when acting as MedTech.
- I make sure that all the staffs are doing their jobs by taking care of patients as required and making sure that we are fully staff when the manager is not around to do so.
- Giving medication such as PRN when necessary and calling emergency services when a patient need an immediate medical attention.
- Providing care to patient who has passed away and provide emotional support to their families in their time of need.

**Paramount Rehabilitation on Dearborn
Certified Nursing Assistant**

**Seattle, WA
04/2018-Present**

- Provide care to patients in intensive skilled nursing
- I clean residents by giving bed bath or showers whenever needed.
- I also feed and play with some of the resident who need emotional comfort.

Peer Heath Educator, The Gambia

09/2006-08/2012

- Educated community about some common sexually transmitted disease and prevention and other common tropical disease such as Malaria and Tuberculosis, preventions and the stigma associated with them.
- Educated fellow students about teenage pregnancy and promotion of female education.
- Educated families about the danger of female genital mutilation. Some families are convincing and had stopped the practice.

Private Tutor

2010-Present

- Tutored both Math and general Sciences in The Gambia.
- Both college and high school Math tutor in Seattle

Volunteer and Shadowing Services

Math Teacher, Tallinding Upper Basic (Middle) School, The Gambia

2010-2011

- An independent math teacher for six-grade students for about a year. My main goal was to help improve their math skills before going to high school. After regular classes, I also conducted study sections for those who needed more help.

Edward Francis Small Teaching Hospital, Banjul, The Gambia

2014

- Helped around the hospital as a messenger wherever needed.
- Redirect patient to the different department in the hospital.

Doctor Shadowing, The Gambia

2014

- Observed Dr. Hassan as he conducted surgery in Ahmadiyya Islamic Hospital (surgical units).

Other Work Experience

Assistant Presiding Officer, Independent Electoral Commission, The Gambia,

2011

- Directed voters into voting stations and reviewed their information
- Answered questions about voting for 1000 community members resulting in greater access and voting rates

Polling Assistant, Independent Electoral Commission, Gambia

2012

- As a leader, I observed and directed polling assistants and monitored ballots as they are transported to counting center
- We make sure that the ballots are counted fairly, this help boost confidence between us election community and that of the citizens.
