RELEVANT EXPERIENCE

American Heart Association Certified in CPR/First Aid/AED Seattle, WA July 2021 to July 2023

- Trained how to assess an emergency situation by determining if the setting is safe to enter, age of victim and whether they have suffered a heart related or airway injury.
- Trained in real-life scenarios three times a week covering heart attack, choking, seizures and diabetic persons.

ADDITIONAL EXPERIENCE

Brand Representative Lead
Hollister Co., WA

May 2019 to December 2019

- Promoted after under a year of working as a new employee with no prior experience.
- Managed the sales floor with 5 other employees under my care and practiced working as assistant manager.
- Trained new employees about memorizing sales, customer care, working the register and organizing the stockroom.
- Maintained full school load along with a 25 to 30 hour work week.

Sales Associate

November 2018 to March 2020

Hollister Co., WA

- Employee of the month twice for impeccable customer service and increase in member sign-ups.
- Unpacked new shipment and set clothes on the sales floor, stayed after hours to update the store, and worked the register while maintaining multiple areas of the store.

SKILLS

Leader - Problem Solver - Communicative - Loyal - Hardworking - Time Management - Empathetic

VOLUNTEER WORK

Chinook Middle School, WA

2019

- Visited leadership group and brainstormed activities to get students involved with school spirit. Helped mentor the group on my previous efforts as a former ASB leader.
- Presented to 6th grade students on my experience in High School to break down any stigma or fear on moving forward with education. Acted as a mentor to encourage students to further their education.
